

TAPSO LVER

The image features the word "TAPSO LVER" in a stylized, multi-lined font. The letters "T", "A", and "P" are blue, while "S", "O", "L", "V", "E", and "R" are red. The letter "O" is replaced by a magnifying glass with a black handle and a silver rim. Inside the lens of the magnifying glass is a chromatogram showing a red baseline with a blue peak. The magnifying glass is positioned over the "O", suggesting a focus on the data represented by the peak.
